PROFILE

I am a passionate frontend Engineer who has a strong background in tech. I'm dedicated to building user-friendly and visually appealing software experience. My personality drives my curiosity and problem solving skills, which I take along to any project I find myself. I aim at being counted among the best software engineers in Ghana by learning and growing in the field. My goal is to contribute my expertise to innovative projects and collaborate in a team who share my dedication to excellence.

PROFESSIONAL EXPERIENCE

Frontend Developer (Remote)
